Personal Details/Self Introduction:

I am Dr. Khair Ahmed Choudhury, a young Bangladeshi Ophthalmologist. I passed my medical graduation (MBBS) from Sylhet M.A.G Osmani Medical College, under the University of Chittagong, Bangladesh in Jan 1993. Thereafter I completed one year internship training and one year training in general surgery from Sylhet MAG Osmani Medical College Hospital then I entered in to Govt. service under the Ministry of Health and Family welfare in

1995 and started my carrier in Ophthalmology in July 2000, by entering into MS (Ophthalmology) course in National Institute of Ophthalmology (NIO), Sher-e-banglanagar, Dhaka, Bangladesh, Under Bangabondhu Sheikh Mujib Medical University, Dhaka. I completed my post graduation (MS in Ophthalmology) successfully in July 2005. After completion of my post graduation I was attached to the same institute till 29th May 2006 and joined as a fellow in the department of Pediatric Ophthalmology, Al-Shifa Trust Eye Hospital, Rawalpindi, Pakistan, on 1st june 2006 which ended on 30th Nov 2006.

As I am in Govt.service under the ministry of health and family welfare, Bangladesh, so on my return from Pakistan I have started my work as an Assistant professor in the department of Eye, Sylhet MAG Osmani Medical College Hospital with special care in Pediatric Ophthalmology.

In between May 2008 to March 2009 I served as an Assistant professor in National Institute of Ophthalmology, Dhaka. Presently I am working as an Assistant professor in Sylhet MAG Osmani Medical College and Hospital where I had to teach both under graduate and post graduate courses.
