PERSONAL DETAILS

DATE OF BIRTH	15 March 1979
NATIONALITY	Egyptian
MARITAL STATUS	Married with children.

ACCOMPLISHMENTS SO FAR

Clinical portfolio:

- Starting a post-CCT fellowship in cornea and refractive surgery at Queen Victoria hospital East Grinstead, UK.
- Finished the run-through training at South Yorkshire rotation, ST7, with TSC in cornea, and awarded certificate of completion of training (CCT)
- FRCOphth, April 2019
- Founder of the Eyetriage.co.uk website and study-group
- FRCS course designer and tutor
- Microsurgical skills course tutor at the royal college of ophthalmologists
- CRQ examiner at the royal college of ophthalmologists
- 2 years Specialty doctor in Ophthalmology in Royal Preston Hospital
- Fellow of the Royal College of Physicians and Surgeons of Glasgow (FRCS).
- Awarded 3 months funded Fellowship from the International Council of Ophthalmology (ICO) to the New York Eye and Ear Infirmary, Cornea and External diseases, New York, U.S.A. in 2009.
- Short term IOL Microsurgery fellowship at Aravind Eye Hospital, Madurai, India with hands on surgical training.
- International Council of Ophthalmology basic, optics & Refraction, and Clinical assessments (ICO part 1 and part 2).
- Masters degree in Ophthalmology, Alexandria University with distinction. One of the first research thesis' on the use of Zeiss IOLMaster for ocular biometry.
- Fellowship at Royah vision centre, Alexandria, Egypt.
- 3 years residency at Gamal Abd-Elnaser Hospital, Health insurance organisation, Alexandria.
- 1 year visit residency at Ophthalmology department, faculty of medicine, Alexandria University. I
- ELTS achiever of overall band score of 8, with 8.5 band score in speaking and reading.

Teaching portfolio:

- GMC Associate PLAB examiner, September 2018
- Honorary lecturer in ophthalmology, Manchester university
- Masters in medical education, Manchester university. 2018
- CRQ examiner – Royal college of ophthalmologists
- FRCS course designer and tutor

- Clinical and surgical supervisor
- Lecturer of Ophthalmology at The Muthusamy Virtual University of Postgraduate Ophthalmology since 2009. (www.mvupgo.com)

QUALIFICATIONS

February 2022	Certificate of completion of training (CCT)
September 2021	CertLRS
April 2019	FRCOphth
December 2019	Masters in Medical Education
November 2013	IELTS exam academic module. Overall band score: 8. Speaking and Reading score of 8.5
December 2009	Cornea and Refractive surgery fellowship training, ICO fellowship, the New York Eye and Ear Infirmary
April 2009	Fellowship of the Royal College of Physicians and Surgeons of Glasgow, United Kingdom.
April 2008	ICO Part 2 Clinical Science Assessment in Ophthalmology International Council of Ophthalmology, Cambridge, United Kingdom
November 2007	Masters Degree in Ophthalmology Ophthalmology Department, Alexandria Medical school Alexandria University – Egypt
April 2005	ICO. Part 1 Basic Science Assessment in ophthalmology including Optics and Refraction International Council of Ophthalmology, Cambridge, United Kingdom
September 2001	MBBCh Alexandria Medical School Alexandria University – Egypt
June 1995	IGCSE international secondary education certificate from university of Cambridge, United Kingdom

CAREER AIM

- I am enjoying a career in ophthalmology, initially worked towards attaining Masters degree and FRCOphth into attaining my CCT and currently a fellowship in Cornea and external diseases
- I aim to consolidate my ophthalmic experience and knowledge by joining appropriate ophthalmic team.

POSTS HELD

Position	Duration	Hospital
Corneo-plastic Fellow	February 2022 – Current	Queen Victoria Hospital, East Grinstead, UK
Ophthalmic specialty trainee	August 2016 – February 2022	Sheffield and South Yorkshire rotation, UK
GMC associate for PLAB Examiner	November 2018 – Current	GMC
Honorary Lecturer Ophthalmology	June 2016– Current	University of Manchester, UK
Specialty Doctor in Ophthalmology	May 2014 – August 2016	Lancashire Teaching Hospitals, Royal Preston Hospitals, UK
Specialist Ophthalmology, LASIK Specialist	June 2008 – April 2014	Dr. Yousef Abulafain Eye center for vision Correction, Doha, Qatar
Cornea and Refractive surgery ICO Fellow	October 2009 – January 2010	The New York Eye and Ear Infirmary, New York, USA.
Lecturer of Ophthalmology	May 2009 – Current time	Muthusamy Virtual University of Post Graduate Ophthalmology, (www.mvupgo.com)
Specialist Ophthalmology (Residency Registrar after Master's Degree)	January 2008 – June 2008	Ophthalmology Department, Gamal Abd Elnasser Hospital, National Health Services, Health Insurance, Alexandria City hospitals, Egypt
Fellow and Assistant surgeon	January 2007 – January 2008	Roayah Vision Correction Center. Personal assistant and fellow with Dr. Osama Ibrahim M.D. Alexandria, Egypt
Senior House Officer and Resident Ophthalmology	January 2007 – November 2007	Ophthalmology Department, Alexandria University, Egypt
Senior House Officer and Resident Ophthalmology	August 2003 – December 2006	Ophthalmology Department, Gamal Abd Elnasser Hospital, National Health Services, Health Insurance, Alexandria, Egypt

PRE REGISTRATION HOUSE OFFICER

MEDICINE (Including Internal Medicine, Paediatrics and A&E)	5 months
SURGERY (Including General Surgery and Anaesthesia)	5 months

MEMBERSHIPS

- General Medical Council UK – February 2014
- Egyptian Medical Syndicate – March 2003
- Egyptian Ophthalmologic Society (EOS)
- Egyptian Society of Ocular Implants and Refractive Surgery (ESOIRS)
- Delta Ophthalmology Society (DOSE)
- American Academy of Ophthalmology (AAO)

AWARDS

- **Awarded 3 months funded Fellowship from the International Council of Ophthalmology (ICO) to the New York Eye and Ear Infirmary, Cornea and External diseases, New York, U.S.A. at the end of 2009**
- **Awarded first prize BEECS presentation 2019**
- Silver plate from Roayah Laser Vision Correction Center for passing the Masters degree in Ophthalmology with distinction
- Certificate of Appreciation from the Egyptian Medical Syndicate for attending various charity convoys covering rural Egyptian areas and offering ophthalmic medical and surgical care to the people living in these areas.
- Certificate of Appreciation from Alexandria Rotary Club for attending various charity convoys covering rural Egyptian areas and offering ophthalmic medical and surgical care to the people living in these areas.
- Certificate of Achievement of VISX STAR S4 IR™ Excimer Laser Physician Training Program. Certificate number 52038. AMO university. Alexandria. Egypt
- Certificate of Achievement of VISX Excimer Laser System CustomVue™ Physician Certification Course for Myopia, Myopic Astigmatism, Hyperopia and Hyperopic Astigmatism, Mixed Astigmatism and Iris Registration AMO university. Certificate number 71740. Alexandria. Egypt
- Certificate of Achievement of VISX University Practice Development Seminar AMO university. Alexandria. Egypt
- Won among the top 10 in the Alcon glaucoma case study competition in the UK, which will be published and due to present it at Alcon headquarters in September 2015.

EXPERIENCE PROFILE

- Clerking patients, initiating management, arranging and interpreting appropriate investigations and consulting my seniors if necessary
- Conducted outpatient clinics, which included general ophthalmic as well as specialty clinics including Cornea and External diseases and Dry eyes, Cataracts, Oculoplasty, Uveitis, Strabismus and Paediatric Ophthalmology, Glaucoma and Medical Retina.
- Conducted casualty clinics where I had the first hand experience of dealing with emergencies.
- Participated in the pre operative clerking, where I take consent from the patients and also conduct preoperative assessment.

- Have been and the personal sole assistant to Prof. Dr. Ahmad Elmassry for more than 18 months in both clinical and surgical work.
- Attended teaching sessions where I have presented cases and many Audits.
- Developing extensive surgical logbook, including more than 500 cataract surgeries
- I have experience working as first on call.
- I have performed squint and Extracapsular Cataract Surgery and assisted for vitreoretinal and oculoplastic and Penetrating Corneal surgeries.
- I have performed Lasik surgery without supervision and assisted in more than 500 Lasik eye surgeries during my work at Roayah Laser Vision Correction Center.
- I have performed YAG Laser iridotomies and posterior capsulotomies as well as retinal argon laser photocoagulation for various retinal diseases
- I have performed minor surgical procedures like pterygium excision with graft, cyst excisions, I&C, Epilation, Cryo applications, syringing etc without supervision.
- First hand experience in Refraction, Keratometry and Focimetry and Tonometry
- Interpreting and capturing high quality Fluorescence angiograms, field analysis, Hess charts, as well as basic investigations as ultrasound and optical biometry, corneal pachymetry, Pentacam, corneal topographies and specular microscopy.
- Well versed with use of 90D, Indirect Ophthalmoscopy, and Gonio lens
- I have worked in screening camps for Cataract, Glaucoma and participated in various medical and surgical charity convoys to rural areas in Egypt organised by the Alexandria Rotary club and Egypt's Medical Syndicate
- 2 years as Specialty doctor in Ophthalmology at Royal Preston Hospital, UK
- Currently on the OST training rotations at Sheffield and the South Yorkshire deanery, Health Education England. UK

RESEARCH

- Poster presentation of refractive results after IOL implantation post laser refractive surgery, using the IOLMaster 700 at Sheffield teaching hospitals presented at UKISCRS annual congress
- Poster presentation of results of phototherapeutic keratectomy (PTK) for recurrent corneal erosions (RCE) at Sheffield teaching hospitals presented at UKISCRS annual congress
- Eyenews book review on ".o.o. clearly" by James Chan. December 2018
- Effectiveness of a novel mobile application for Triage in Eye Casualty. RSM Prize submission title: Effectiveness of a novel mobile application for Triage in Eye Casualty. Prize submission for the Ophthalmology Section: Students and trainees prize.
- Presentation in 2019's British Emergency Eye Care society annual meeting titled: "Could a triage website application be the answer to emergency referrals dilemma?" Won first prize
- Lecture at the 3rd Annual International Conference of the Egyptian Society for Continuous Ophthalmic Education discussing challenges facing an immigrating doctor
- Lecture at the 3rd Annual International Conference of the Egyptian Society for Continuous Ophthalmic Education covering simulation in ophthalmology

- Poster presentation at the Royal College of ophthalmology congress, Glasgow 2019; "Could a triage website application be the answer to emergency referrals dilemma?"
- Book review published at Eyenews: "Clearly: How a 700 year old invention can change the world forever"
- Abdelmaksoud, Ahmed, et al. " Novel optical coherence tomography findings of a case of sympathetic ophthalmia after 23-gauge vitrectomy." *Retinal cases & brief reports* (2019).
- Abdelmaksouda, Ahmed, and Nigel Terk-Howe Khoob. "When it goes wrong, a chance to try again: ophthalmic surgical simulation training borrowed from flight-crash re-runs." *Journal of Surgical Simulation* 5 (2018): 31-33.
- Poster accepted titled "Silicone oil removal in a tertiary referral centre" at the annual student and trainee ophthalmic conference 2017
- Won among the top 10 in the Alcon glaucoma case study competition in the UK, which will be published and due to present it at Alcon headquarters in September 2015.
- Bilateral Central Toxic Keratopathy After LASIK: A Case Report and Review of the Literature. Poster at the Academy's annual meeting and Subspecialty Day. The meeting was held November 13 - 17, at Sands Expo/Venetian in Las Vegas.
- The safety and efficacy of a referral refinement scheme clinic in Ophthalmology. Oral presentation at the 20th Nottingham Eye Symposium. January 2016
- IOL calcification after glaucoma tube implant - A case series. Poster at 20th Nottingham Eye symposium. January 2016
- Bilateral Central Toxic Keratopathy After LASIK: A Case Report and Review of the Literature. Poster at World Ophthalmology Conference Guadalajara, Mexico, February 2016
- Oral presentation at the World Ophthalmic Congress in Guadalajara, Mexico, February 2016 titled: "Hydrophilic lens Opacification associated with Glaucoma Tube Implant"
- Accepted poster at the American Academy of Ophthalmology conference in Las Vegas, November 2015 titled "Bilateral Central Toxic Keratopathy after Laser in situ keratomileusis: A case report and review of the literature"
- Actively assisted in founding the Cornea and Refractive surgery Academy, the new international teaching academy for refractive surgery in collaboration with Roayah Vision correction Center in Alexandria which is managed by various eminent cornea and refractive surgeons and Professors of Ophthalmology, Alexandria university.
- Reviewer in the peer-review system of numerous journals including the American Journal of Ophthalmology, Journal of Cataract and Refractive surgery, Ophthalmology journals and others through the Elsevier online publication system.
- Participated and actively assisted in various clinical and literature review presentations made by various Ophthalmology professors during international meetings and local clinical meeting seminars.
- Publication in British Medical Journal: Bilateral central toxic keratopathy after laser in situ keratomileusis. **Abdelmaksoud, A., Khoo, N.T.H., Hanoot, H. and Ibrahim, O., 2015.**

Bilateral central toxic keratopathy after laser in situ keratomileusis. *BMJ case reports*, 2015, p.bcr2015212423.

- Published my thesis research in the **Delta Journal of Ophthalmology**, titled “**Comparison Between The Accuracy Of Intraocular Lens Power Calculation By Contact A-Scan Ultrasound Versus Optical Coherence Biometry**” in Volume 8, no. 1, April 2007, pages 27 – 33.
- Completed my Masters thesis research on **Refractive outcome after Cataract Surgery: a comparison between acoustic biometry and Optical biometry by Partial Coherence Interferometry** which compared between 2 biometry techniques for determination of the IOL power aiming at emmetropia after cataract Surgery and awarded a degree of excellence on this research from the department of ophthalmology, Alexandria University

AUDITS

- Audit of refractive results after IOL implantation post laser refractive surgery, using the IOLMaster 700 at Sheffield teaching hospitals
- Audit of results of phototherapeutic keratectomy (PTK) for recurrent corneal erosions (RCE) at Sheffield teaching hospitals
- Cataract surgery PCR rates audit. Departmental audit spanning 5 years and nearly 20 thousand cases down and PCR rupture rate against local published guidelines
- QIP done at Rotherham general hospital in developing a website; www.eyetriage.uk to help with triaging and prioritising referrals received by the department, through the use of an electronic app using AI technology
- Working on an audit regarding post-cataract surgery steroids prescribing in our trust and correlation with post operative uveitis
- Lead the Getting it right first-time (GIRFT) audit for surgical site infections in ophthalmology at Sheffield teaching hospitals, UK
- Audit at Sheffield Children Hospital looking at emergency referral during working hours
- Completed an audit at Barnsley hospital about note keeping. Presented it in Januray 2017.
- Completed an audit at Lancashire teaching hospital about consent taking. Presented it in May 2015. Currently involved in closing the loop by re-auditing.
- I have presented an audit about the different treatment strategies in the management of Central Retinal Vein Occlusion at the monthly clinical meeting seminar, Gamal Abd Elnasser hospital. National health services, August 2005.

MEETINGS AND OPHTHALMOLOGY SEMINARS ATTENDED

February 2022	EGSCOE international conference, Cairo, Egypt
November 2021	UKISCRS annual meeting

May 2017	Royal College of Ophthalmologists annual Congress
February 2016	World Ophthalmic Congress. Guadalajara. Mexico.
September 2014	European Society of Cataract and Refractive Surgery, Excel UK
February 2012	World Ophthalmology Congress XXXIII International Congress 12th International Congress MEACO Abu Dhabi National Exhibition Centre, Abu Dhabi, UAE
February 2011	Saudi Ophthalmic Society King Fahd Cultural Centre, Riyadh, KSA
October 2009	American Academy of Ophthalmology and PAAO joint meeting Moscone convention centre, San Francisco, CA, USA.
May 2008	Egyptian Society of Ocular Implants and Refractive Surgery meeting (ESOIRS) Hilton Green Plaza Hotel. Alexandria. Egypt.
January 2008	Second Cairo Middle East Refractive and Cataract Surgery Symposium. International Society of Refractive Surgery American Academy of Ophthalmology (ISRS – AAO) Grand Hyatt Hotel, Cairo, Egypt.
May 2007	Egyptian Society of Ocular Implants and Refractive Surgery meeting (ESOIRS) Hilton Green Plaza Hotel. Alexandria. Egypt.
March 2007	Egyptian and European joint Ophthalmic Society meeting (EOS - SOE) Alazhar Conference Hall, Cairo. Egypt
February 2007	Delta Ophthalmic Society Annual Meeting (DOSE) Helnan Palestine Hotel, Alexandria, Egypt
January 2007	First Cairo Middle East Refractive and Cataract Surgery Symposium. International Society of Refractive Surgery American Academy of Ophthalmology (ISRS – AAO) Grand Hyatt Hotel, Cairo, Egypt.
May 2006	Egyptian Society of Ocular Implants and Refractive Surgery meeting (ESOIRS) Hilton Green Plaza Hotel. Alexandria. Egypt.
March 2006	Egyptian Ophthalmic Society meeting (EOS) Alazhar Conference Hall, Cairo. Egypt
February 2006	Delta Ophthalmic Society Annual Meeting (DOSE) Helnan Palestine Hotel, Alexandria, Egypt

May 2005 **Egyptian Society of Ocular Implants and Refractive Surgery meeting (ESOIRS).** Helnan Palestine Hotel. Alexandria. Egypt.

March 2005 **Egyptian and European joint Ophthalmic Society meeting (EOS - SOE)** Alazhar Conference Hall, Cairo. Egypt

February 2005 **Delta Ophthalmic Society Annual Meeting (DOSE)**
Helnan Palestine Hotel, Alexandria, Egypt

May 2004 **Egyptian Society of Ocular Implants and Refractive Surgery meeting (ESOIRS).** Helnan Palestine Hotel. Alexandria. Egypt.

March 2004 **Egyptian Ophthalmic Society meeting (EOS)** Alazhar Conference Hall, Cairo. Egypt

February 2004 **Delta Ophthalmic Society Annual Meeting (DOSE)**
Helnan Palestine Hotel, Alexandria, Egypt

In addition to the monthly audits, clinical ophthalmology department, Alexandria university clinical meeting seminars, the summer and winter international meetings, Alex Eye Center's and Roayah vision correction center monthly clinical meeting seminars and the annual national health service ophthalmic conference.

Self-updating by attending NEOS meeting, and other local ophthalmology meeting in Preston, Sheffield, Doncaster, Nottingham and London.

TRAINING COURSES ATTENDED

June 2017	Clinical audit in 4 stages
January 2015	Train the Trainers, Royal College of physicians, Chorley, UK
August 2014	Alcon surgical skills course, UK
January 2012	Immediate Life Support (ILS), Hamad International Training center, Doha, Qatar. January 2012
November 2008	Immediate Life Support (ILS), Hamad International Training center, Doha, Qatar. 15th November 2008
April 2008	Short term IOL Microsurgery at Aravind Eye Hospital, Madurai, India. April 1st to April 30th 2008
March 2008	FRCS part 2 one week preparatory course Magrabi Eye Hospitals and Centers. Cairo. Egypt
May 2007	VISX Excimer Laser System CustomVue™ Physician Certification Course for Myopia, Myopic Astigmatism, Hyperopia and Hyperopic Astigmatism, Mixed Astigmatism and Iris Registration AMO university. Alexandria. Egypt
May 2007	VISX University Practice Development Seminar AMO university. Alexandria. Egypt
March 2007	Alcon Phaco Wet Lab Alcon Laboratories Limited, part of Egyptian Ophthalmic Society meeting. Cairo, Egypt
January 2007	Alcon Phaco Wet Lab Alcon Laboratories Limited, part of International Society of Refractive Surgery of the American Academy of Ophthalmology (ISRS – AAO) meeting. Grand Hyatt Hotel, Cairo, Egypt

January 2007

Moria M2 Lasik and Epi-Lasik Wet Lab

Alcon Laboratories Limited, part of International Society of Refractive Surgery of the American Academy of Ophthalmology (ISRS – AAO) meeting. Grand Hyatt Hotel, Cairo, Egypt

January 2007

Lamellar and Penetrating Keratoplasty wet lab

Ophthalmic Research center. Cairo. Egypt

CLINICAL GOVERNANCE

- Fully comprehend the concept of clinical governance as an outline through which NHS organisations are responsible for continually improving the quality of their services, and providing high standards of care by creating an atmosphere for excellent clinical care.

LEADERSHIP SKILLS

- Lead a university-based teaching and simulator-based cataract surgery course during an international congress
- Designed and lead a preparatory course for the FRCS ophthalmology exam
- Attends departmental and audit meetings and actively involved in practice improvement and suggestions.
- Member of my trust's Local Negotiation Committee (LNC).
- Always involved with BMA, attended BMA junior member conference (JAN 2015), the Junior Doctor Conference (JDC, May 2015), SAS annual BMA conference (June 2015).
- Attended and actively participated in the BMA annual representative meeting (ARM) which is the largest annual BMA meeting spanning 4 days and helping in shaping BMA lobbying priorities with the current government for the coming year in June 2015.
- Admin registrar and rota co-ordinator at Sheffield teaching hospitals

SKILLS AND ABILITIES

- Keeps professional knowledge & skills up to date
- Knowledge of the health systems and practices including the relationship between primary and secondary care and interprofessional relationships
- Potential to benefit from the training available i.e. fits with career aspirations
- Able to establish good working relations with patients, carers and multi-disciplinary colleagues
- Able to communicate clearly e.g. able to write legible records
- Able to discuss treatment options with patients in a way they can understand
- Recognises stressful situations and responds appropriately. I am a hard worker, with eagerness to develop my ophthalmic knowledge and experience.

- I thrive in positions of responsibility. However, I understand my professional limitations and when to seek senior advice.
- I am strongly motivated with an emphasis on a superior quality of any work I produce.
- Respects and promotes individual rights, interests, preferences, beliefs and cultures
- Level 2 fitness instructor and Les mills certified body pump fitness instructor

LANGUAGES

- **Arabic** (mother tongue)
- **English** (fluent IELTS overall band:8 on June 2009)
- **French** (basic knowledge)

IT SKILLS

- I have very good working knowledge of Microsoft Windows Vista, XP, ME, 98 and 95 and Microsoft Office XP including Word, Power Point, Excel and Internet applications, plus good knowledge of computer hardware and assembly & constantly keep up to date with what is new.
- Swift computer language coding. Website editor and designer

TEACHING EXPERIENCE

- Lead a university-based teaching and simulator-based cataract surgery course during an international congress
- Designed and lead a preparatory course for the FRCS ophthalmology exam
- Microsurgical skills course tutor at the royal college of ophthalmology
- PLAB 2 examiner GMC associate
- Masters Medical Education with Manchester University
- Recognised regular OSCE examiner and tutor for medical students affiliated with the University of Manchester and Sheffield University.
- Teaching of nurses and specialist trainees in NHS hospitals
- Regular organized teaching for introduction in ophthalmology for year 4 medical students, Manchester university with a letter of recognition after positive feedback from students.
- On the job teaching in my current post at Lancashire teaching hospitals.
- I have been appointed the position of "Lecturer of Ophthalmology" at The Muthusamy Virtual University of Postgraduate Ophthalmology on the first of May 2009. (www.mvupgo.com)
- I was involved in the teaching programmes for residents, ophthalmic nurses and paramedical staff like Ophthalmic photographer and health care supporter at the ophthalmology department of Gamal Abd Elnasser Hospital, National health services. Health Insurance Organisation and Roayah vision correction center, Alexandria, University.
